Deft Research's 2008 Age-In Study Order Form

Deft Research's **Age-In Study** illuminates loyalty to health plans, and age-ins use and comfort with the internet and technology.

AGE-IN STUDY: \$3,900

Special Offer:

If you purchase the option above, you may purchase 1 of the following studies for just \$600 more, for a total of only \$4,500. Please indicate which study you would like.

- 2008 Senior Market Dynamics (released March 2008)
- 2007 National Senior Loyalty (released December 2007)
- 2007 Age-In Study (released July 2007)

You will not find such purposeful market research at this price anywhere else. You may get more information about the above studies at our website www.deftresearch.com.

Deft Quality Promise:

- We guarantee your satisfaction. If you can't use the study, you can have your money back if you ask for it within one month of purchase.
- We will deliver a data and graphic rich set of analytical slides and profiles of the top companies. All deliverables will be electronic for your convenience and re-use.
- Clients are eligible for one special request data pull.

Please signify your intention to purchase this study with your signature below. Then fax both pages of this form back to **612/436-8320**.

We would like to purchase the 2008 Age-In Study. If indicated above we would also like to purchase one of the other studies listed. Please invoice us for the fee listed.
